

CAREER OBJECTIVE

- Seeking an intern position to apply and expand my technical skills, focusing on delivering impactful contributions to the organization. I aim to secure a challenging role that utilizes my programming skills and passion for technology to develop cutting-edge software solutions and advance my career.

EDUCATION

Degree	Specialization	Institute	Year	CGPA
B.Tech	Information Technology	Aditya University	2027	8.0
Intermediate	M.P.C	Aditya Junior College	2023	9.0
SSC	State Board	Vivekananda School	2021	9.8

WORK EXPERIENCE

- T HUB Member** [Aditya University] 2023-2024
 - Participated in tech-focused sessions and peer-led coding discussions.
 - Gained practical knowledge in **Python, Java, HTML, CSS**, and **C**.
 - Contributed to internal mini-projects and debugging challenges.

PROJECTS

- Quiz App** [HTML, CSS, JavaScript] March-April 2025
 - Quiz application where users can answer multiple-choice questions, and at the end, they get their score. You can add features like timers, categories for questions, and show the correct answers after the quiz. This project helps in understanding how to work with events, forms, and data handling in JavaScript..
- Simple Calculator** [Python (Tkinter), GUI Programming] April-May 2025
 - Developed a basic calculator that can perform simple arithmetic operations like addition, subtraction, multiplication, and division. This will give hands-on experience in GUI programming and event handling using Python's Tkinter library.

TECHNICAL SKILLS

- Programming Languages:** Python, Java
- Databases:** SQL, DBMS
- Tools:** VS Code, GitHub, Jupyter Notebook, Power BI, Jira

CODING PROFILES

- LeetCode** – Solved 100+ Problems
- CodeChef** – Rating 1500; Solved 900+ Problems
- HackerRank** – 5 Star in Python, SQL and 4 Star in C Programming, Java

CERTIFICATIONS

- Python Java Course – T-Hub
- Certifications – HackerRank, Infosys, CodeChef, RedHat
- Oracle Course – T-Hub

STRENGTHS

- Team Management and Adaptability
- Hardworking and Consistency
